

Ivan Ruskov

graphic designer

Profile

I am an open-minded, passionate, hard-working graphic designer who is interested in contemporary art. I use my creative and conceptual thinking to find new approaches for solving any problems. I learn fast and pay attention to details. I can work in a team and make decisions fast. I want to become a creative director whose ideas manifest in social campaigns.

Interests

Reading crimes and psychology
Writing
Music
TV Series
Swimming
Table Tennis
Solving Maths Problems
